New from accomplished Detroit poet M. L. Liebler, *Wide Awake in Someone Else's Dream* is a thoughtful collection of traveling poems written in Russia, Israel, Germany, and China. Liebler's poems take the reader on a contemplative journey through both the geography of these countries and their cultures as well as through the inward mind of the narrator. As Liebler travels the world, he wrestles with themes of self-discovery, spirituality, identity, and change, and renders poems in his signature raw and defiant style.

Throughout this collection Liebler's poems touch on issues of political upheaval, exploitation, and corruption and look at the personal and spiritual transformation left in their wake. This ability to give readers a glimpse of a bleak global reality translated by a hopeful eye has earned Liebler's poems comparisons to the richly imagistic and spiritual work of George Trakl. In all, this collection is characterized by its calm and powerful voice, which has a musical sensibility in its spare and straightforward presentation.

Fans of Liebler's work and general readers of poetry will enjoy *Wide Awake in Someone Else's Dream*.
